Age Rating

Staff have been supporting some children on appropriate play and appropriate language. Some of these play choices and language choices seem to be influenced by children watching films / playing online games that are not age appropriate for them.

Can we please ask parents to be mindful that children have access to age appropriate material (this includes being mindful of what siblings or adults are watching and younger children accessing this at the same time).

Severn Class Visit to Craven Arms Mosque

On Thursday 21st May children in Severn Class visited the mosque in Craven Arms. The visit supported their RE learning about different faiths, places of worship and how they support the community.

Children got a lot from the positive experience and contact. They showed interest, respect and understanding that we are all different (with different beliefs, cultures and traditions) but that difference is fantastic. 'We are all different but we can all get along' is a really important message for us all.

The Imam sent the following message:

'Thank you for your Mosque visit yesterday, I really enjoyed it and the children were amazing with some very thoughtful questions'

Sponsored Walk

Thankfully the weather held and the children all showed great resilience in completing their Sponsored Walk last week.

*Thank you to those parents and children who have bought in their sponsorship money. So far **half of the school have raised just over £1238 (which is AMAZING!)**.*

If we could have the remaining sponsorship money as soon as possible that would be appreciated.

Last year you all managed to raise over £1600 - it would be wonderful if we could match this (or even better - exceed it!!).

- Shelter Box - An organisation who provide shelter, essential items and technical assistance to help some of the world's most vulnerable people recover and rebuild their homes after disaster. They listen and adapt their support to the needs of each community, working together with those affected by disaster, alongside their supporters and partners.
 - Crisis - Who work directly with people experiencing or at risk of homelessness in 9 areas across England, Scotland and Wales. They provide practical one-to-one support to help people access benefits, healthcare services, employment opportunities, and more. Their main aim is to relieve the huge pressure of homelessness, by helping people find safe and affordable homes as quickly as possible
-

*Please note that **any** contribution to recognise children's amazing effort and donate to FoSPS and the children's charities of chose is really welcome.*

Crucial Crew

Crucial Crew

On Monday 15th June, Year 6, children will be attending the Bridgnorth and South Shropshire Crucial Crew event at the Edgar Davies Ground in Bridgnorth. This is an annual event which helps to equip pupils to deal with some of the challenges they may face in later years after moving from primary to secondary education and beyond.

We are requesting a voluntary contribution of £10.15 per child attending this event which will go to Bridgnorth and Shropshire Crucial Crew to help with the cost of organising this event.

Contributions / consent to be made via Arbor please.

Corve Class Activity Days / Residential

Following the form we recently sent out, the vast majority of parents have responded positively to Corve Class taking part in a one-night residential visit to Shropshire Adventures.

Due to the positive response we are planning to go ahead with this opportunity as follows:

A fun and engaging outdoor adventure experience to help children develop independence by staying away from home locally for one night. The visit will include two days of activities, an overnight stay, evening meal, and breakfast. Shropshire Adventures have offered the school a 10% discount, bringing the total cost of the residential to £136.72 per child. The dates for the visit are:

Monday 6th July – Tuesday 7th July 2026.

We are asking for a 50% deposit to secure the booking - payment of which will be required by the end of May. Thank you to those of you that have paid, however to enable us to go ahead we do need this commitment from the majority of the class.

Swimming

*We are pleased to inform you that **swimming lessons will commence in June 2026 at The Severn Centre, Highley.***

*Swimming is a vital life skill, and although schools are **only required to provide swimming lessons to Key Stage 2 pupils**, we fully recognise the importance of water confidence and safety. For this reason, **we aim to offer swimming lessons to most year groups each year, where possible.***

Cost and Funding

*Unbelievably, in the current financial climate, the cost to parents works out at **£20 for a block of six swimming lessons** per child. This amount has been **significantly subsidised through the PE and Sports Premium.***

*Please note, however, that **the school is unable to subsidise the cost further.** These lessons are therefore dependent on **sufficient voluntary contributions** being received. Unfortunately, **if we do not receive enough contributions, we may have to narrow the offer or cancel the sessions.***

Contributions need to be made by the end of this half term to enable us to make an informed decision.

Key Information

-
- **Start date:** June 2026
 - **Venue:** Severn Centre, Highley
 - **Cost:** £20 for 6 lessons
 - **Pupils involved:** Reception / Years 1,2,3,4 plus older children who are unable to swim a length

Our Worship / Reflections this week:

Monday: We finished our compassion theme by thinking about the compassion of Pharaoh's daughter who looked after Moses so he wasn't killed by her father. We reflected that sometimes, when there are big problems, we can't fix everything but that we can do acts of kindness that do make a difference.

Tuesday/Wednesday: We focussed on the celebration of Pentecost - the descent of the Holy Spirit and the 'birthday of the Church'. Children reflected on who or what is always there for them no matter what.

Thursday: We looked at last weekend's Men's FA Cup Final at Wembley between Manchester City and Chelsea and how reaching the final of this competition is a huge achievement after months of hard work. We reflected on how winning can feel exciting, but losing can also teach us valuable lessons about effort, resilience and improvement.

Celebrating Reading

Reading

Reading with children is one of the most powerful gift parents can give. The development of language, creativity and cultural understanding from reading, discussing and sharing is HUGE so if you are giving this gift thank you for helping to keep this powerful, essential activity 'alive'. Reading is also very powerful as it reduces stress (for the child and the adult!).

Nursery & Reception News

Minibeasts This week in EYFS, the children have completed in the Bikeability programme, where they developed their confidence and coordination while learning how to ride safely and follow simple instructions. Alongside this, we have enjoyed revisiting our learning about minibeasts, recalling their names, habitats and key features through stories, discussions and outdoor exploration. We have also been talking about the season of summer and the changes we are beginning to notice, such as warmer weather, longer days and the growth of plants and flowers.

	Mastering Number: In our maths learning, the children have continued to develop their understanding of numbers to 10 through practical games and activities. They have compared numbers, explored which are more or less, and used number tracks to see how numbers are ordered. We have also recapped our number bonds to 5 and 10, using sentence stems such as "4 needs 1 to make 5" and "8 needs 2 to make 10."	
Phonics: This week the children have recapped chunking up longer words. Have a wonderful half term and continue to read regularly.

From 1 December, a new, free 24/7 mental health text support service is available for people of all ages living in Shropshire, Telford and Wrekin (STW), delivered by qualified mental health professionals. The service is delivered by SHOUT on behalf of Midlands Partnership University NHS Foundation Trust (MPFT) who are commissioned by NHS Shropshire, Telford and Wrekin. Why is it important? The service expands access to immediate mental health support, complementing existing services such as NHS 111 option 2, and supports the national transformation of NHS mental health care by improving responsiveness, inclusivity and accessibility.

How to access?

Text **'STW'** to **85258**, free of charge and at any time, to start a conversation with a trained mental health professional.

Benefits to Patients

- **24/7 support.** Available day and night, including weekends and holidays.
- **Mental health-focused.** Tailored to people experiencing mental health difficulties, delivered with compassion and understanding.
- **Discreet and private.** Ideal for those who prefer not to talk on the phone or need support in a public place.
- **Inclusive and equitable.** Helps reduce inequalities by offering support to anyone across STW.
- **Integrated with local services.** If needed, text responders can help you signpost to local services like NHS 111, crisis teams, or other community-based mental health support.

If someone feels unsafe or at immediate risk, they should call 999, as the text service is not intended for urgent emergencies. Individuals already receiving mental health support should contact their named worker first, in accordance with their care plan.

Pharmacy First can help families – a new service available in Shropshire, Telford and Wrekin

Pharmacy First can help families with minor illnesses and seven common conditions. If appropriate, treatment can be offered without a prescription for seven common conditions, and it can be quicker to see a pharmacist than a GP. Normal prescription charges and exemptions (those who do not have to pay, including children) will apply.

A pharmacy is a great place to get healthcare advice and treatment. Pharmacies are easy to reach, usually located within local communities, and often open evenings and weekends. This service may help children and colleagues get well and back to nursery/school/work quicker.

The poster features a group of six healthcare professionals (Kiley, Alex, Chelsie, Jayne, Jasdeep, and Karen) in NHS uniforms. The background is green and blue. The text on the poster is as follows:

Worried about your child's health?

Think 'Pharmacy First'

You can now get treatment for a variety of common conditions and minor illnesses from your local community pharmacy.

Your pharmacy can help with:

- Earache (ages 1-17)
- Infected insect bites (from age 1)
- Impetigo (from age 1)
- Sore throat (from age 5)
- Hay fever (all ages)
- Conjunctivitis (all ages)

If you don't know whether a pharmacist can help with what you need, give them a call first or just pop in.

If you get a prescription through your pharmacy, you'll never pay more than if you had seen your GP.

Health Visiting Information

Every family with children under 5 has access to a health visitor.

Families can access advice and support up until the age of 5 years old by calling **The Single Point of Access on 0333 358 3654**.

If parents don't want to talk to someone, they can send a text and one of the team will get back to them on **07520 635212**

This is a Monday to Friday service 09:30am until 4pm where a Health Visitor is on the line to offer the appropriate advice and support and referrals can be made to the appropriate practitioner.

If parents need extra support or support for potty training, behaviour, sleep, eating we have two Healthy Child practitioner who they can be referred to who will come out to their home or to a clinic to support the family with these issues.

This referral can be completed through the single point of access and sent to the appropriate team.

If it is specialised targeted work the family will be seen by a Health visitor for example low mood or complex development issues, safeguarding or specialised referrals.

All children are seen universally at one years and at two years and they are offered a full health growth and development review via a letter with an appointment.

These are now completed at Cleobury Mortimer Health Centre, Ludlow or Bridgnorth depending on where they live.
