Severn Class: Tuesday 16th September @ 3.30pm

Updated approaches to transcription (handwriting, spelling, punctuation)

We are actioning developments from our Ofsted areas for improvement and we said we would keep you updated with changes. We will seep changes into the school news as we go along so here is the first:

We are going to move away from a weekly spelling test (research shows that children may get it right in the test but then don't apply it). We would agree that we are seeing this. Our new adapted approach will be as follows:

1. Share with parents the themes of spellings being covered (this will be in the school news for younger children and in book bags for older children)
2. Continue daily inputs for spelling so children have regular practise
3. Increase low stake spelling quizzes (not tests) so children have to regularly recall spellings, rules and patterns
4. Increase mixing up the spellings (rather than one pattern) to help children remember and retrieve what they have already been taught not just the weekly theme (we started to do this last year with good effect)

5. Increase the amount of dictation we do with children to get them practising spellings in context.

We will keep you informed of the impact of our new approach.

Great Athletes

We're excited to be welcoming a top GB athlete to the school on Thursday 25th September with Great Athletes!

All pupils will take part in a **sponsored fitness circuit** led by the athlete, and come home with some important and inspiring lessons learned during a **motivational assembly** and **Q&A** session.

The event will both connect the pupils to an extraordinary athlete role model and **raise money for new sports equipment** to improve physical activity in the school, as well as supporting both athletes and para-athletes, so that they can continue to inspire the next generation.

Last week children were given a sponsorship form for them to use to help raise money for the event. You can sponsor your child by visiting: <https://sportal.greatathletes.org/events/landing>. Alternatively, you can scan the QR code to go directly to the online sponsorship page.

As a thank you, pupils will receive the following thank-you gifts for meeting these milestones:

Raise anything: A5 sheet of motivational stickers

Raise £5 or more: sheet of stickers, plus a blue Great Athletes wristband

Raise £15 or more: all of the above, plus a red wristband with the athlete's signature

Raise £30 or more: all of the above, plus a signed athlete poster

Please ensure that the sponsorship form and money are returned to the school office **1 week** after the event has taken place.

Please also make sure that your children come to school on the event day with their PE Kits!

Thank you in anticipation of creating a terrific and memorable event.

Date for the diary: Youth Awareness Day Thursday 16th October

Date: Thursday, 16th October

Theme: "Blue for Youth"

Purpose: To raise awareness and funds for youth-focused causes across Shropshire and Telford & Wrekin.

What's Happening on the Day?

All participating schools are invited to:

- Wear Something Blue

Students and staff are encouraged to wear a blue item of clothing to show unity and support for young people.

- Make a Donation

Each student is asked to bring a small donation to contribute to the Youth Awareness Day fund. All proceeds will go toward supporting youth initiatives and local charities in Shropshire.

Celebrating Music Across The Trust

We are participating in an **SGET music celebration** to share and celebrate our love of music across the Trust. The event will be on **Thursday 9th October starting at 3.45pm** to be held at **Lacon Childe School**. Children from Severn class will be performing songs and ensemble pieces they have learnt in school and have opportunity to hear other schools doing the same.

We will transport children to **Lacon Childe during the afternoon** for a quick rehearsal at no cost to parents. The celebration will last approximately an hour (finishing at 4.45pm).

Severn class parents are invited to come and enjoy the music but will have limited places so please reserve no more than 2 tickets per family via the Form below. **Children will need to be collected from Lacon at 4.45pm** if you are unable to make the concert.

Please complete the form to confirm collection from Lacon at 4.45pm and if you have any requests for tickets:

Secondary Transfer 2026

The online application facility for parents of year 6 students who are eligible to transfer to secondary school in September 2026 is now open as detailed in the letter sent out to parents of year 6 children earlier this week.

Below is the message from The School Admissions Team:

This is the link - [Apply to start or transfer school | Shropshire Council](#) which takes you to the Shropshire Council Admissions website. Details about secondary school open evenings can be found in the Parents' Guide to Education in Shropshire booklet, on the same website.

Closing date for applications is 31st October 2025.

Applications received by Shropshire Council after the closing date will be classed as late, which may result in your child being disadvantaged, so please ensure you make your application on-time. Late applications will not be processed until all on-time applications have been offered.

Please note your child's cohort is larger than in previous years. You can name up to four schools on your application - we encourage parents to make full use of these preferences. If only one preference is named, and we cannot offer this, we will have no choice on National Offer Day but to offer a place at the next nearest school with a vacancy, which could be a considerable distance from your home address.

Kind Regards

The School Admissions Team

Only those children who reside in Shropshire should apply via the Shropshire Council website. If any non-Shropshire resident applies via the Shropshire Council website, it will be discarded. Failure to apply to the correct Local Authority may cause an application to be late.

Earrings

Can we remind parents that only watches and stud earrings are to be worn in school.

We are however noticing some children have multiple piercings - we would like to advise that children are only allowed **one plain stud in each ear** (any additional ear piercings should be empty - this is the same expectation as in secondary schools so good to be consistent) .

Celebrating Reading

Reading

Reading with children is one of the most powerful gift parents can give. The development of language, creativity and cultural understanding from reading, discussing and sharing is HUGE so if you are giving this gift thank you for helping to keep this powerful, essential activity 'alive'. Reading is also very powerful as it reduces stress (for the child and the adult!).

Our Worship / Reflections this week:

Monday: Children watched a video from our visiting athlete [Nekoda Smythe-Davis - Great Athletes](#) and reflected on the Judo sporting values.

Hope and Symbols of Light

Light is a powerful symbol of hope in many cultures and religions.

Christianity

Hinduism & Sikhism

Judaism

Islam

Tuesday: We began our theme of hope by understanding the importance of hope (believing that good things will happen) and some of the symbols used for it in different cultures and religions. We reflected on our hopes for ourselves, others, our family and in the world.

No Outsiders

**Everyone different,
everyone welcome.**

Wednesday: We returned to our No Outsiders theme by considering how we are all wonderfully different. The book 'We're All Wonders' helped us reflect that being trendy, tall, short, curly-haired, pale, dark-skinned, big nosed, big forehead, wearing glasses or freckled

doesn't make someone better or worse. We pledged to treat everyone with kindness and respect - NO MATTER HOW THEY LOOK.

Thursday: We launched our Jigsaw theme across the school. We focused on the power of our words and actions, and how they can be used to show kindness to others. To illustrate this, we used a simple but powerful demonstration: squeezing toothpaste onto a plate and then trying to put it back into the tube. Of course, it couldn't be done — and that was the point.

We reflected that just like the toothpaste, once our words or actions are out, we can't take them back. Unkind words and hurtful actions can't be undone, so it's important to think carefully and choose kindness whenever we speak or act.

Reception News 12.09.2025

Autumn 1 Term - Marvellous Me This week in Reception, we've launched our new topic: 'Marvellous Me' - a celebration of everything that makes each child unique and special! To begin our journey, we've been exploring the theme of families. The children have loved talking about who is in their family, sharing stories, and drawing pictures of their loved ones. It's been wonderful to see them take pride in their family connections and learn that families come in all shapes and sizes. Through circle time, stories, and creative activities, we've encouraged the children to think about what makes their family special. This has helped build a sense of belonging and community in our classroom, and we've had some lovely conversations about siblings, grandparents and pets. Thursday's Reception Welcome Meeting PowerPoint is now uploaded on ClassDojo.

This week we have started the Reception Baseline Assessment (RBA) with the children. This is a short, practical and online assessment carried out one-to-one. It is delivered in English and administered within the first 6 weeks of a pupil starting reception. The RBA is an age-appropriate assessment of early mathematics and early literacy, communication and language at the beginning of the primary school journey. DfE will use the data from the RBA to create primary school progress measures, which will show the progress schools make with their pupils from reception until the end of key stage 2 (KS2). Please be assured that the assessment is completed in a relaxed and supportive way, and most children see it as a fun activity! If you have any questions or would like more information, feel free to speak to come and speak with Mrs Rainbird-Hitchins

Forces in STEM @ RAF Cosford

On Wednesday 24th September children from Severn Class will be attending a 'Forces in STEM day' at RAF Cosford.

This is a fun packed day includes a science show and engages children in all things STEM.

Children will need a water bottle, packed lunch and coat.

Admission is free of charge, however we are asking for a voluntary contribution towards the cost of the transport of £5.55 per child (those children eligible for FSM £2.78). As always we are very grateful to FoSPS for subsidising the cost of the transport.

What is Shropshire Family Information Service:

The Shropshire Family Information Service (FIS) is a brilliant universal service. The FIS brings together loads of useful, local information for families, to help take the stress out of things like finding:

- Childcare or baby and toddler groups
- Holiday clubs, events and things to do as a family
- Parenting, relationships, and emotional health and wellbeing support
- Cost of Living info and advice

FIS use our social media channels to bring families news, events and handy information, which links through to our [Family Information Directory](#). Families are welcome to contact us directly for help with anything to do with family life. We have created a brand new short video to explain who we are and what we do. You can view it here on YouTube https://youtu.be/7t1jBqJJI8?si=LeOiNag8_LeSPzX0

What we would love you to do:

1. Follow us on social media. We use social media as a key tool for reaching parents and professionals, so give us a follow and we will follow you back.

Pharmacy First can help families – a new service available in Shropshire, Telford and Wrekin

Pharmacy First can help families with minor illnesses and seven common conditions. If appropriate, treatment can be offered without a prescription for seven common conditions, and it can be quicker to see a pharmacist than a GP. Normal prescription charges and exemptions (those who do not have to pay, including children) will apply.

A pharmacy is a great place to get healthcare advice and treatment. Pharmacies are easy to reach, usually located within local communities, and often open evenings and weekends. This service may help children and colleagues get well and back to nursery/school/work quicker.

The poster features a group of six healthcare professionals (Kiley, Alex, Chelsie, Jayne, Jasdeep, and Karen) in NHS uniforms. The background is green and blue. The text on the poster is as follows:

Integrated Care System
Shropshire, Telford and Wrekin

NHS
Shropshire, Telford and Wrekin

Worried about your child's health?

Think 'Pharmacy First'

You can now get treatment for a variety of common conditions and minor illnesses from your local community pharmacy.

Your pharmacy can help with:

- Earache (ages 1-17)
- Infected insect bites (from age 1)
- Impetigo (from age 1)
- Sore throat (from age 5)
- Hay fever (all ages)
- Conjunctivitis (all ages)

If you don't know whether a pharmacist can help with what you need, give them a call first or just pop in.

If you get a prescription through your pharmacy, you'll never pay more than if you had seen your GP.

Health Visiting Information

Every family with children under 5 has access to a health visitor.

Families can access advice and support up until the age of 5 years old by calling **The Single Point of Access on 0333 358 3654**.

If parents don't want to talk to someone, they can send a text and one of the team will get back to them on **07520 635212**

This is a Monday to Friday service 09:30am until 4pm where a Health Visitor is on the line to offer the appropriate advice and support and referrals can be made to the appropriate practitioner.

If parents need extra support or support for potty training, behaviour, sleep, eating we have two Healthy Child practitioner who they can be referred to who will come out to their home or to a clinic to support the family with these issues.

This referral can be completed through the single point of access and sent to the appropriate team.

If it is specialised targeted work the family will be seen by a Health visitor for example low mood or complex development issues, safeguarding or specialised referrals.

All children are seen universally at one years and at two years and they are offered a full health growth and development review via a letter with an appointment.

These are now completed at Cleobury Mortimer Health Centre, Ludlow or Bridgnorth depending on where they live.
